

**"Ticket Out"**

Instruct students to: Write their name on the back of the ticket. Then draw their own problem on the front. Ticket can be to: recess, home, choice time, lunch and/or etc....

The image shows three identical blank ticket templates stacked vertically. Each ticket is rectangular with a decorative, slightly curved border. Inside each ticket is a large, empty rectangular area intended for a student to draw a math problem or write their name and the problem details.
